### TERMS AND CONDITIONS OF BREEDING CONTRACT

This agreement is made between Stallion Owner (hereinafter referred to as the stallion owner), and the owner of the mare described above and is subject to the following terms and conditions.

1. A \$500 nonrefundable booking fee is due and payable upon execution of this agreement. Booking fee is included in the breeding fee. For shipped semen contracts the balance of the breeding fee is due prior to ordering semen. For breeding at Brightstone Ranch the balance of the breeding fee is due and payable before mare departs from ranch.
2. Any unpaid fees owed to Brightstone Ranch will be billed with a monthly interest rate of 1.5%. Breeders certificate will be issued when all fees are paid in full and stallion owner is notified of a live foal. Only one breeder's certificate will be issued per paid breeding fee. **STALLION OWNER IS RESPONSIBLE FOR SIGNING BREEDERS CERTIFICATE.**
3. In the event the above mare fails to produce a live foal from the breeding privilege granted herein, mare owner may rebreed the mare (or a substitute mare mutually agreed upon by mare and stallion owners) during the following breeding season only. This guarantee applies only if the mare owner (A) notifies the stallion owner within 72 hours after the time the mare did not produce a live foal, or foal dies; and (B) within 10 days after the mare owners notice, the mare owner provides the stallion owner with a statement from a licensed veterinarian substantiating same. A farm fee of \$500 (includes first semen shipment) is due on all rebreeds. Breeding fee will not be refunded. 2<sup>nd</sup> and consequent year re-breeds will be at the discretion of the stallion owner, additional breeding fees may apply.
4. If the mare owner fails to contact the stallion owner for a rebreed the year immediately following, then all fees paid shall be forfeited the right to a rebreed is cancelled and this contract is thereby terminated.
5. Mare owner agrees to have mare ultrasounded 14 - 17 days after the last date of insemination and notify Brightstone Ranch of pregnancy status.
6. Mare owner may not assign this breeding contract or substitute any other mare under this agreement without the prior written consent of stallion owner. Any attempted assignment without prior consent of stallion owner will, at the option of stallion owner, terminate this agreement and release stallion owner from all obligations hereunder.
7. It is understood that if the above stallion dies or becomes unfit for service, this contract shall become null and void and the breeding feeless the booking fee shall be refunded to the mare owner.

8. Embryo transfers: Mare owner agrees to notify stallion owner that this is an embryo transfer breeding. In the event multiple viable embryos are produced from a single flush, mare owner agrees to pay an additional breeding fee for each additional live foal.
9. By signing this contract, mare owner certifies that he/she is sole owner of above-mentioned mare or has authority to enter into this contraction behalf of the owner.
10. A photocopy of mare's registration papers must be furnished with this contract.
11. **If the stallion leaves Brightstone Ranch management in the middle of the breeding season, Brightstone Ranch will forward a copy of all contracts and records needed to the stallion owner after which will thus terminate all mare breeding contracts with Brightstone Ranch.**
12. **Palo Duro Cat** is six panel tested negative.
13. The undersigned agrees that Brightstone Ranch and its staff will not be responsible for accident, injury, sickness, or death to the mare/foal whether from fire, flood, theft, act of God, or negligence by Brightstone Ranch or its staff. The undersigned agrees to and shall indemnify and hold harmless Brightstone Ranch and its staff from and against any and all claims, losses, damages, causes of actions, suits and liability of any kind including expenses of litigation, court costs, and attorney fees, for injury to, or the death of the mare/foal, or for any damage to the mare/foal arising out of, or in connection with, the services performed by Brightstone Ranch and its staff under this contract, regardless of whether such injuries, death or damages are caused in whole or in part out of negligence of Brightstone Ranch and its staff.

1. Mare owner agrees that only the mare designated on this contract will be inseminated with the shipped semen. Any attempt to breed more than one mare with a shipment will void this contract.
2. Mare owner agrees to pay the above charges pertinent to the transport of cooled semen and any additional shipping and return fees. **Canadian shipments - call for details and charges**. Shipment includes shipping container, overnight shipping fees, collection fee on scheduled collection days. There will be no credit given on returned shipping boxes.
3. Brightstone Ranch only assumes responsibility to ship semen in viable condition and shall not be held liable for the quality of semen during or after shipment, loss of viability, or any costs arising from shipments delayed, damaged, or lost in transit. Brightstone Ranch agrees to process each ejaculate to optimize 24-hour post cool motility, and subsequent fertility. Every effort should be made to inseminate the mare within 24 hours after collection from the stallion.
4. There is no guarantee of semen delivery within a certain time frame nor the quality of semen at the time of arrival. In the event of insufficient semen on a particular breeding day, Brightstone Ranch will ship shipments on a first ordered, first serve basis.
5. Depending on demand, mare owners requesting shipped semen should expect to receive only one dose of semen. Two doses will be shipped if available. If fresh semen is not available, mare owner has the option of receiving frozen semen **if available**.
6. Mare owner agrees to have mare palpated on the next collection day to confirm ovulation. If mare has not ovulated another dose of semen must be ordered.
7. Mare owner agrees to vaccinate mare against rhinopneumonitis on at least the 5th, 7th, and 9th month of pregnancy.

## 2025 Breeding Contract On Farm Breeding Addendum

1. Brightstone Ranch will exercise best judgement in care and supervision of the mare/foal. The attending veterinarian will examine the mare for normal breeding conditions and will administer medical care as deemed necessary for the health and safety of the mare/foal. The mare owner hereby consents to all medical care administered to the mare by the stallion manager's veterinarian. The mare owner will pay all veterinarian and farrier charges. All expenses, including board, shall be payable monthly.
2. The mare shall be in a healthy and sound breeding condition: free from infections, contagious or transmittable diseases. A current coggins test, copy of registration papers (both sides), veterinarian health certificate, plus a health, worming and vaccination record is required. If the mare owner fails to provide any of the above documents, the mare owner hereby consents to the stallion managers veterinarian examining and/or testing the mare as may be necessary to complete the above tests, certification and other records. However, the stallion manager reserves the right to refuse any mare, which is (1) not in proper condition (2) which does not have all the records, tests, and registration documents as required herein.
3. Accounts will be billed monthly on or about the first of the month. Accounts are due in full on the 30th of the month. A finance charge of 1.5% per month on the unpaid balance will be added to all accounts, computed from the due date. **THE MARE AND/OR FOAL WILL NOT BE RELEASED BY BRIGHTSTONE RANCH UNTIL THE ACCOUNT IS PAID IN FULL.**
4. Not included in the Chute Fee are board, breeding soundness exams, special insemination procedures, uterine treatments, hormone therapy, and diagnostic testing. These items will be billed monthly. If the mare leaves Brightstone Ranch after being on farm without the desired number of pregnancies, the on farm breeding work will count as the first shipments and further shipments will be paid accordingly.
5. Brightstone Ranch breeding staff agrees to diligently try to settle the owner's mare. The mare owner agrees to give Brightstone Ranch ample opportunity to settle the mare, having bred her through at least 2 heat cycles. If mare leaves the ranch before being pregnancy checked, mare owner is required to have mare ultrasounded at 15 and 30 days after last breeding date. If for any reason the mare does not settle, mare owner will hold Brightstone Ranch harmless.
6. Mare owner shall hold Stallion Owner and Brightstone Ranch harmless for any accident, injury, theft, disease, sickness, or death suffered by the mare and/or foal, or any other cause of action whatsoever arising out of or connected in any way with On Farm Breeding. This includes but is not limited to, any claims of damages, loss or injury that may occur to any person or personal property. In the event of any injury or death to the mare and/or foal, the mare owner will look solely to his/her own insurance. In the event anyone assesses a cause of action against Stallion Owner on account of injury or death to the mare and/or foal, Brightstone Ranch shall be held harmless from any such cause of action including cost of defending same.
7. If it should become necessary for Brightstone Ranch to retain the services of an attorney to enforce its rights under the terms of this contract, including but not limited to the collection of any sums due, the mare owner will pay Brightstone Ranch all expenses and costs, including reasonable and necessary attorney's fees incurred by Brightstone Ranch in enforcing this contract.
8. Mare owner agrees to vaccinate mare against rhinopneumonitis on at least the 5th, 7th and 9th month of pregnancy.
9. The parties acknowledge that this agreement is made and shall be considered entirely performed in the state of Texas and shall be construed and enforced under the laws of the state of Texas. Under Texas law (chapter 87, civil practice and remedies code) an equine professional is not liable for an injury or death of a participant in equine activities resulting from inherent risks of equine activities
